About the Volkswagen Group:

The Volkswagen Group, with its headquarters in Wolfsburg, is one of the world's leading automobile manufacturers and the largest carmaker in Europe. Ten brands from seven European countries belong to the Group: Volkswagen Passenger Cars, Audi, SEAT, Cupra, ŠKODA, Bentley, Lamborghini, Porsche, Ducati and Volkswagen Commercial Vehicles. The passenger car portfolio ranges from small cars all the way to luxuryclass vehicles. Ducati offers motorcycles. In the light and heavy commercial vehicles sector, the products range from pick-ups to buses and heavy trucks. Every weekday, 672,800 employees around the globe are involved in vehicle-related services or work in other areas of business. The Volkswagen Group sells its vehicles in 153 countries.

In 2021, the total number of vehicles delivered to customers by the Group globally was 8.9 million (2020: 9.3 million). Group sales revenue in 2021 totaled EUR 250.2 billion (2020: EUR 222.9 billion). Earnings after tax in 2021 amounted to EUR 15.4 billion (2020: EUR 8.8 billion).

About Attestor:

Attestor is a London-based, owner-operated asset management company with a long-term horizon and specializes in investments in turnaround situations. The fund was founded by German investor Jan-Christoph Peters in 2012 and currently has assets under management of around 5.5 billion euros. Most of the capital comes from US university foundations and family offices. Besides the investment in Europcar, Attestor's portfolio comprises a stake in Kommunalkredit Austria, an Austrian bank, as well as several investments in the tourism sector including a number of hotels in Italy and the Netherlands. In 2021, Attestor acquired a majority stake in German leisure airline Condor.

About Pon Holdings:

Pon Holdings B.V. – one of the largest family-owned Dutch companies – is a leading international company and mobility group with 14,000 employees. Active in 36 countries, Pon operates with 80 different companies in five different business segments: Automotive, Bikes, Equipment & Power Systems, Industrial Mobility and Agricultural Products & Services. It supplies high-quality products and solutions, develops and manufactures bicycles and has engineering solutions in various market segments. Pon operates in a wide range of markets - from passenger and commercial vehicles and bicycles to road construction and earthmoving machines, generators and total solutions for the shipping industry. Pon is a major international mobility group, facilitating the mobility of millions of people every day with bicycles, cars and new mobility services.
